1. In response to the letter of 26 August 1954 to the Director from Gen. Julius Klein serving as special consultant to the Senate Appropriations Committee, I have talked to General Klein in his office in New York. (See Memorandum for the Record this date). Mr. Wisner informs me that he has no knowledge of any conversations between the Director and General Klein, however, in view of the background of the situation he suggests that I secure a copy of the General's itinerary
